SECTION**A****When to use this application**

You can use this application to apply to the Landlord and Tenant Board (LTB) to transfer a tenant from a care home because the tenant requires a different level of care than the care home provides.

You can apply because the tenant requires either:

- less care than the care home provides

or

- more care than the care home provides.

SECTION**B****Steps you must take before filing this application**

If the tenant requires a higher level of care, the LTB will **not** issue an order to transfer the tenant out of the care home unless it is satisfied that:

- appropriate alternative accommodation is available for the tenant
- and**
- the tenant's care needs cannot be met by a combination of the care provided in the care home and the care provided by other community based service providers.

This means you must:

- look for other appropriate alternative accommodation for the tenant,
- determine what care services are available in the community, and whether or not these services will allow the tenant to remain in the care home.

SECTION**C****How to complete this application**

Read these instructions before completing the application form. You are responsible for ensuring that your application is correct and complete. Follow the instructions carefully when you complete the application form.

The information you fill in on the form will be read electronically; therefore, it is important to follow the instructions below:

- Print clearly or type and do not touch the edges of the boxes.
- If there are more boxes in a line than you need, start from the left and leave the extra boxes blank.

- Do not fill in boxes that do not apply to you (for example, if you do not have a fax number, do not fill in boxes in the space marked “Fax Number”).
- If the instructions tell you to shade a box or a circle (for example, circles marked “Yes” or “No”), shade the box or circle completely.

Related Applications

If you or your tenant have filed other applications that relate to this rental unit, and those applications **have not** been resolved, fill in the file numbers in the space provided.

PART 2: REASONS FOR YOUR APPLICATION

There are two reasons that you can make this application.

Reason 1 - The tenant does not require as much care as the care home provides.

If you are applying for this reason, shade this circle.

This reason also applies in circumstances where the tenant has repeatedly and substantially withdrawn from participation in some or all of the care services provided by the care home that are set out in the tenancy agreement, and the tenant is not receiving substantially equivalent community based services.

If you are applying for **Reason 1**, in the box, describe:

- the minimum level of care that the care home provides, and,
- why you believe the tenant requires less than this level of care, and,

if the tenant has withdrawn from some or all of the care services provided by the care home:

- which care services the tenant is not participating in, and
- how long the tenant has not been participating in these care services.

Reason 2 - The tenant requires a higher level of care than the care home can provide.

If you are applying for this reason, shade this circle.

If you are applying for **Reason 2**, in the box, describe:

- the level of care provided in the care home,
- why the tenant's needs cannot be met with this level of service,

- what care services are available from community based service providers, and
- why the tenant's needs cannot be met if care services are provided by both the care home and community service providers.

Have you found appropriate alternative accommodation for the tenant?

You must indicate on the application whether or not appropriate alternative accommodation is available, and whether or not the tenant's care requirements can be met if both the care home and community care providers supply the tenant's care services. If you are applying for **Reason 2** and you do not provide this information, the LTB **will not** issue an order to transfer the tenant.

Shade either the **Yes** or **No** circle to indicate whether or not appropriate alternative accommodation is available for the tenant.

If you select **Yes**, in the box provided, include:

- the name and address of the facility that will provide accommodation to the tenant, and,
- details of the arrangements that have been made with the facility to transfer the tenant.

If you select **No**, the LTB **will not** issue an order to transfer the tenant unless it is satisfied that there is appropriate alternative accommodation available for the tenant.

PART 3: SIGNATURE

If you are the landlord, shade the circle marked "Landlord". Then, sign the application form and fill in the date.

If you are the landlord's representative shade the circle marked "Representative". Then, sign the application form and fill in the date.

REQUEST FOR ACCOMMODATION OR FRENCH-LANGUAGE SERVICES

The LTB wants to ensure that everyone who uses its services can ask for and receive accommodation and/or French Language services in order to be able to participate in its proceedings on an equal basis.

Shade the appropriate box or boxes on the form to indicate whether you need accommodation under the Ontario *Human Rights Code*, French-language services or both. The LTB will not include a copy of this form when we give the other parties a copy of the application form. However, the information will be included in your application file. The file may be viewed by other parties to the application.

If you require accommodation under the *Human Rights Code*, explain what services you need in the space provided.
